

Ground Source Heat Pump (GSHP) Rebate

Save \$400 per ton, \$50 for variable speed motor

Rebate Qualifications

Rebate amount is \$400 per ton for qualifying residential GSHPs.

Rebate quantities are limited.

Offer valid for new GSHPs purchased and installed between January 1, 2012 and December 31, 2012, or **while funds last**.

- GSHP must be installed within the Connexus Energy electrical service area.
- Installing contractor must be registered through HVACReduction.net or natex.org.
- Limit one rebate per customer account.
