The undersigned does hereby certify that 1) The undersigned, and not the cooperative, is solely responsible for the accuracy of the information contained in this application, 2) all rules of the LED Traffic Signal Retrofit Rebate program have been followed, and 3) the installation is complete. Further, the undersigned acknowledges that nothing contained in the application shall impose any liability on the cooperative for the work performed and information presented by the member's engineer, contractor or vendor. Connexus Energy will be referred to hereafter in this application as "the cooperative".

**I verify the information on this application is correct and request consideration for participation in this program.**

### How to Apply for This Rebate

1. Fill out and sign the Business and Vendor Information sections, page 1.
2. Fill out the Rebate Application – Quantity and Signal Type Information section, page 3.
3. Attach a copy of the paid, itemized invoice(s). Be sure that the quantity, make, model number, and unit price appears on the invoice. Sending inadequate invoice documentation or incomplete/incorrect forms will delay the rebate payment.
4. Make a copy of this document for your records.
5. Mail completed form by November 16 to Connexus Energy 14601 Ramsey Blvd, Ramsey, MN 55303.

Application # \_\_\_\_\_

## Specific Rules and Qualifications

The cooperative offers rebates to qualifying members who purchase and retrofit existing signal lights to energy-efficient LED.

1. On the documents establishing proof-of-purchase, circle the energy-saving products for which a rebate is requested and attach to the application. If not indicated on the invoice, please add the number, signal type, size and color.

2. Rebates are available for pedestrian signals (Walk/Don't Walk), red and green traffic balls and red arrows.

3. Rebates are not available for amber LED traffic balls/arrows or green traffic arrows.

## Warranty Information

Rebate qualifications do not imply any representation or warranty of such equipment, design or installation by the cooperative. The cooperative shall not be responsible or liable for any personal injury or property damage caused by this equipment. The cooperative does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall the cooperative be liable for any incidental or consequential damages.

## Other Important Program Rules

1. Installation must be complete before rebate funds will be issued.
2. Members and vendors must submit itemized equipment invoices, along with rebate application and worksheet, to the cooperative. To ensure that the equipment installed meets the cooperative's performance standards, these invoices must itemize labor charges, quantity and price of the equipment installed, as well as information regarding the manufacturer and model numbers for all lamps included in the rebate.
3. The cooperative reserves the right to conduct random inspections of installations.
4. The member is responsible for checking with the cooperative to determine whether funding is available and to verify program parameters.
5. The maximum rebate amount shall be the lesser of 50 percent of the project cost or \$100,000.
6. Qualifying members must apply for 2012 rebates no later than November 16, 2012.
