COMMUNITY SURCHARGE RIDER

In certain communities, bills are subject to a monthly surcharge. The surcharge percentage is applied to the total electric bill before any other taxes or surcharges. Communities and their respective surcharge are:

Community Surcharge

Coon Rapids

4% of total charges

Anoka (expires August 31, 2015)

\$.004 cents per kWh

St. Cloud

3% of total charges

An "X" as indicated in the following table show which rates the surcharges apply to:

Type of Service	Coon Rapids	Anoka	St. Cloud
Residential & 1-phase	X	X	X
Off-Peak	X	X	
Small Commercial	X	X	X
General Commercial	X	X	X
Security Lights	X	X	X
Street Lights	X	X	X
Sirens	X		X

WELLSPRING RATE RIDER

Availability

This rider is available upon request to all Connexus retail customers. If the total program demand for green power exceeds supply, this rider may be temporarily limited or closed to new customers requesting green power.

Type of Service

Customers can contract to have their electric energy supplied by a renewable resource generated from wind turbines located in Minnesota, which were built specifically for subscribers of this program.

Monthly Rate Premium

The following premium will be paid for Wellspring:

\$0.61 per 100 kWh.

This premium is in addition to all other fees and charges presently paid by the customer.

Conditions of Service

1. **Surcharge**
In certain communities, bills are subject to a surcharge as described in the Surcharge Rider.
2. **Term**
A customer must remain on this program for a minimum of 12 months.
