We also want to give you the opportunity to enroll in powering your home with 100% renewable energy. Go green without making a long-term financial commitment. Call or email member services to learn more.

ELECTRIC VEHICLE TIME-OF-DAY (TOD) PROGRAM

Connexus Energy supports the growing electric vehicle (EV) market and wants to work with members who purchase an electric vehicle to make sure you get the most affordable rate to meet your charging needs.

Two categories of electric vehicles are eligible: plug-in electric vehicles (PEV) and plug-in hybrid electric vehicles (PHEV). Hybrid electric vehicles (i.e. Toyota Prius) do not qualify.

Hours of Rate Availability

Connexus Energy's time-of-day rate offers members the most hours of charging in a week, while still providing an electric rate at almost half-off the normal residential rate. The least expensive rate is available 50% of the time.

This option requires the installation of a separate sub-metered circuit.

Time-of-Day Rate

Cost per kWh to charge an EV on Connexus Energy's Time-of-Day rate. Additional cost for taxes and the Power Cost Adjustment (PCA) applies.

Energy Charge		Time	Day	Month
Off-Peak Period* (50%)	6.8¢/kWh	8 p.m. - 8 a.m.	All Days	All Year
Intermediate Period* (38%)	12.6¢/kWh	8 a.m. - 4 p.m. 8 a.m. - 8 p.m.	M-F Sat/Sun	All Year All Year
Peak Period* (12%)	21.0¢/kWh	4 p.m. - 8 p.m.	M-F	All Year

*Percent of hours during year

There are no peak periods on weekends or the following holidays: New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas Day.

\$500 Rebate Available

Install a Level 2 EV charger and get a rebate up to \$500. Rebate forms available online at connexusenergy.com. Rebate is eligible for plug-in electric vehicles (PEV) only. Plug-in hybrid electric vehicles (PHEV) or hybrid electric vehicles (HEV) do not qualify.

HOW TO SIGN-UP

1. Enroll in the program online at connexusenergy.com or call Member Services at 763.323.2650.
2. Contact Connexus Energy to schedule a date and time to pickup the required metering equipment.
3. Have a state electrical inspection completed within 30 days of metering equipment installation.
4. Contact Connexus Energy at 763.323.2650 for final inspection. TOD rates and wind energy enrollment will not apply until final inspection is complete.
