

## Visitors Expectations at Connexus Energy during Covid 19 Restrictions

We thank you for doing your work during this difficult time. Please understand for your safety and the safety of our staff we need you to help us protect our collective health.

- 1) Report to (call) your Connexus contact each time you enter and leave the building
- 2) If you are feeling sick or have a fever over 100.4 deg F do not enter our building
  - a) If you get sick and have visited our building let us know ASAP please
- 3) Maintain at least 6' of social distancing
- 4) Wear a facial cover if you interact with someone else within 6'
- 5) Cough or sneeze into your arm, wash or disinfect your hands often
- 6) If you touch a work surface, wipe it clean
- 7) Restrict your travel to the areas you are needed
- 8) Use gloves whenever it is feasible (if you need some ask)
- 9) If you need to speak to staff, please use a phone unless it is absolutely necessary to meet
- 10) You may be asked to submit to a temperature check – if so it will be a requirement to do work within our building or jobsite. Call your Connexus Energy point of contact before arriving to find out if this applies and where to test.
