## EV CHARGING INSTALLATION ELECTRICIANS

### Connexus Energy Trusted EV Charger Installers

Connexus Energy has partnered with each of the below electricians to assist our members in the full installation of their new Level 2 EV Charger at their home. Each electrician is licensed and experienced in installation of these chargers and many other electric items. Feel free to give one or all a call to schedule your installation!

<b>Electric City</b>	952.255.6624	<a href="mailto:Derekb@electriccitycorp.com">Derekb@electriccitycorp.com</a>
